

# Invitation to learn about Ukrainian and Estonian digital services and teach these to other Ukrainians living in Estonia

-  Are you a young Ukrainian living in Estonia?
-  Are you interested in diving into the world of e-services and digital platforms?
-  Are you keen to learn teamwork, adult training and project design?
-  Would you like to lead by example and help other Ukrainians in new ways?

If yes – you are welcome to join the e-Governance Academy (eGA) capacity building program as a **digital envoy**. You will learn **specific skills** how to train adults, and design action plans to support digitally vulnerable Ukrainians living in Estonia to use Ukrainian and Estonian platforms for electronic services, understand cyber security, and do online civic activism. After taking part in all activities, participants will **receive a certificate**.

## What's in it for you :

-  **1-hour Online Welcome Meeting:** Kick-off on 30 October 2024. Meet your digital tribe!
